Expanding the range of opportunities for all by developing, managing and promoting quality affordable housing and diverse communities.

50 years ago, EAH Housing was founded with the belief that attractive, affordable housing is the cornerstone to sustainable communities.

A roof is just the beginning.

► Who We Are

EAH Housing is a nonprofit organization whose mission is to create healthy communities by managing, developing and promoting quality affordable housing. EAH is one of the oldest and most experienced nonprofit housing management and development organizations in the western United States.

► Experience

The current EAH Housing real estate management portfolio consists of nearly 10,000 units. EAH collaborates with local governments, housing authorities, more than 450 service organizations and other developers to provide not only homes, but the right tools to ensure quality of life for all residents.

► Adaptable Development

The EAH Housing Real Estate Development Department has an award-winning track record, with half a century of experience in projects ranging from traditional to complex. The EAH team addresses the specific needs of each municipality and follows through to ensure that new affordable housing communities are successfully built.

► Quality Management

The EAH Housing Real Estate Management Department is responsible for all aspects of property management, ranging from compliance and resident services to facilities and asset management.

► Belief in Partnerships

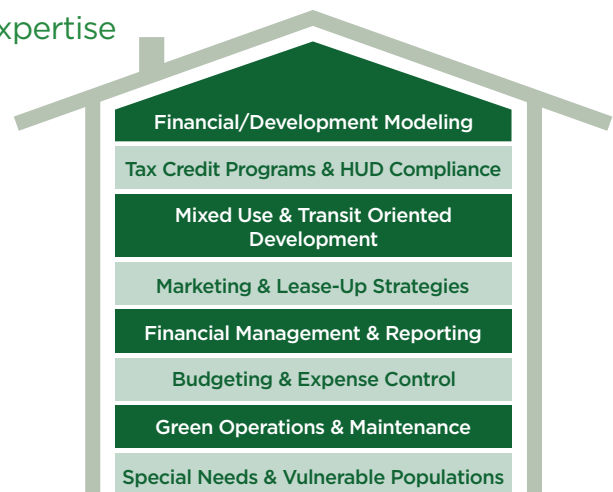

Since 1968, EAH Housing has successfully brought forth numerous high-quality affordable housing developments in challenging environments. This is made possible through active community outreach, and continued dialog and partnerships with local organizations, neighbors, city staff and public officials.
