PREFERENCES

Every applicant must meet the Property's Resident Selection Plan standards for acceptance as a resident.

For units designed as accessible for persons with mobility, special needs, visual or hearing impairments, households containing at least one person with such impairment will have first priority for those units.

For MHSA designated units, applicants are referred by the County of Los Angeles – Department of Mental Health (LACDMH). For these units, residents are selected in strict accordance with the criteria and procedures identified in the supportive services plan for Parkview on the Park. Services will be offered through a coordinated effort ensuring a healthy living environment for all residents.

UNIT TRANSFER POLICY

A Unit Transfer List is maintained for those residents who have been approved for transfer on the basis of a medical reason certified by a third-party professional. Residents on the Unit Transfer List will have priority over the applicants on the Waiting List.

OCCUPANCY STANDARDS

Occupancy standards are the criteria established for matching a household with the most appropriate size and type of apartment. The occupancy guidelines listed below will be followed to avoid under or over utilization of the units:

Bedroom	Household Minimum	Household Maximum
1	1	2

To determine the proper bedroom size for which a household may qualify, the following household members are to be included: 1. All full-time members of the household, and 2. Live-in attendants 3. Foster children and 4. Unborn children and children in the process of adoption.

VIOLENCE AGAINST WOMEN ACT OF 2013

The Violence Against Women Act ("VAWA") protects victims **against eviction or denial of housing based on domestic violence, dating violence, sexual assault and stalking.** VAWA offers the following protections:

1. An applicant's or program participant's status as a victim of domestic violence, dating violence, sexual assault and stalking is not a basis for denial of admission, if the applicant otherwise qualifies for admission.

2. This must support or assist victims of domestic violence, dating violence, sexual assault and stalking. It must protect victims, as well as members of their family, from being denied housing or from losing their HUD assisted housing.

3. An incident or incidents of actual or threatened domestic violence, dating violence, sexual assault and stalking will not be construed as serious or repeated violations of the lease or other "good cause" for terminating the assistance, tenancy, or occupancy rights of a victim of abuse.

4. Criminal activity directly related to domestic violence, dating violence, sexual assault and stalking, engaged in by a member of a tenant's household or any guest or other person under the tenant's control, shall not be cause for termination of assistance, tenancy, or occupancy rights of the victim of the criminal acts.

5. Assistance may be terminated or a lease "bifurcated" in order to remove an offending household member from the home. Whether or not the individual is a signatory to the lease and lawful tenant, if he/she engages in a criminal act of physical violence against family members or others, he/she stands to be evicted, removed, or have his/her occupancy rights terminated. This action is taken while allowing the victim, who is a tenant or a lawful occupant, to remain.

6. The provisions protecting victims of domestic violence, dating violence, sexual assault and stalking engaged in by a member of the household, may not be construed to limit Moonlight, when notified, from honoring various court orders issued to either protect the victim or address the distribution of property in case a family breaks up.

7. The authority to evict or terminate assistance is not limited with respect to a victim that commits unrelated criminal activity. Furthermore, if Moonlight can show an actual and imminent threat to other tenants or those employed at or providing service to the property if an unlawful tenant's residency is not terminated, then evicting a victim is an option, the VAWA notwithstanding. Ultimately, Moonlight will not subject victims to more demanding standards than other tenants.

The VAWA protections shall not supersede any provision of any federal, state, or local law that provides greater protection for victims of domestic violence, dating violence, sexual assault and stalking. The laws offering greater protection are applied in instances of domestic violence, dating violence, sexual assault and stalking.

The Notice of Occupancy Rights and Certification form will be provided to applicants when assistance is being denied or at the time of move-in.

GROUNDS FOR DENIAL

"MHSA" referred applicants or the referred applicant's representative may request consideration of mitigating circumstances related to negative criminal or other history verified during the application process. *Mitigating circumstances are conditions or occasions that partially explain a negative situation or make it more understandable. However, a person with a conviction for a violent felony or manufacturing or distributing illegal substances during the past seven years will be denied housing.*
