APPLICATION PROCEDURES / WAIT LIST

Signed and dated applications will be processed on a first-come, first-served basis. The application must be completed and signed by the head of household and all household members 18 years of age and older before it can be placed on the wait list. Incomplete applications will not be accepted. If an application is not completely answered, the date of it being received once fully completed will be the date that the application is considered accepted for rental purposes.

An application fee of \$35 per adult household member will apply. Application fees will not be collected until an applicant is being considered for placement. The application fee is to help cover our cost of conducting the credit and criminal background inquiries.

All applicants who submit a completed application will be placed on the wait list based on the apartment size selected on the application. It should be noted that being placed on the wait list does not guarantee that you will get an apartment. Being placed on the wait list only signifies your place in line to have your application reviewed and your income certified when an apartment becomes available.

Selected applicants must be prepared to move into the apartment when notified of their selection. If they are unable to accept the apartment when it is available, they will be moved to the end of the Wait List or removed from the Wait List if it is the second refusal.
