*Message from Laura Hall, President and Chief Executive Officer*

As we head into October and the last quarter of the year, I like to take stock of what we have accomplished throughout the year, and what still needs to get done. Affordable housing was once only thought of as an issue in areas such as New York, San Francisco, Los Angeles, and Honolulu, but now it is a concern for people throughout the country. [Read More](#)

## **EAH Housing Receives More Than \$107 Million in Funding to Build Senior and Veterans Housing**

As the need for affordable housing for seniors and veterans continue to increase, we are thrilled to announce receiving more than \$107 million in funding for four of our newest developments specifically serving these two groups of people. [Read More](#)

## Homekey: California's Innovative Program for Ending Homelessness

Since its launch in Los Angeles in 2020, Homekey has helped thousands of unhoused people get off the streets by converting hotels and motels into housing. [Parthenia Place](#), managed by EAH Housing for Housing Authority for the City of Los Angeles (HACLA), was the first completed site for this innovative new program. [Read More](#)

## \$64,500 Awarded in Scholarships to EAH Housing Residents

This year, we are proud to announce that 17 of our college-bound residents have received scholarships. [Read More](#)

## Resident Recovery Fund

The last 18 months have challenged all of us in many ways. As an organization, we have stepped up our support of our residents by increasing food drives, offering digital literacy classes and wi-fi access, and connecting them with other local support services. [Read More](#)
